Dear Jim,

This year the Office of Student and Academic Services at the University of Maryland School of Nursing adopted the theme, "Be Inspired." Thank you for engaging our team in looking at the diversity that each of us brings to the office and learning the art of communication that allows the team to merge into an efficient workforce. Not only have the members of this office laughed together but we have also bonded to move forward.

We thank you for your inspiration and leadership.

Sincerely,

A handwritten signature in black ink that reads "Marjorie L. Fass".
