Golden Opportunity is selected to facilitate “Public Speaking” at the 2011 University System of Maryland (USM) Women’s Forum in Baltimore, Maryland

Jim Golden will facilitate “Public Speaking and Presentation Skills”

Rockville, Maryland, September 15, 2011 – Golden Opportunity, Inc., a learning and organizational development services firm, announces its recent selection of its President and CEO, Jim Golden to facilitate a “Public Speaking and Presentation Skills” breakout session at the 2011 University System of Maryland (USM) Women’s Forum at the University of Maryland, Baltimore. Golden Opportunity facilitated “21st Century Leadership: From Transitional to Transactional” at the 2010 forum at UMUC in Adelphi, Maryland.

About University System of Maryland (USM) Women’s Forum:

University System of Maryland (USM) Women’s Forum

<http://usmwf.usmd.edu/>: primary mission is to bring together the women of USM to enhance the status of women, foster system-wide networking and encourage participation of women from all institutional levels of the System. We value the diversity and richness of perspectives and experiences of all communities of women within the University System of Maryland. It is with this in mind that we work together to provide a platform for women to develop, mentor and lead within the System.

The Women's Forum encourages life-long learning, professional development, networking and mentoring opportunities. To accomplish this, we maintain a focus on interests and issues affecting women, as women are the fastest growing segment of today's workforce.

About Golden Opportunity, Inc. ®:

Golden Opportunity, Inc. ® (www.learningisgolden.com) is an award winning learning and organizational development services firm. We *deliver* confidence! We help to solve communication challenges in the workplace by providing solutions to improve confidence, ability and effectiveness in public speaking and presentation skills, leadership development, communication and interpersonal skills, and customer service. Our primary focus is to assist government agencies, colleges/universities, utility, and healthcare industries to improve their organizational communications and performance.
